¹ To determine the number of employees for purposes of this affidavit, a business must count its total number of employees company-wide, regardless of the city, state, or country in which they are based, working at least 35 hours a week.

Georgia Code- 48-5-299

48-5-299. It shall be the duty of the county board of tax assessors to investigate diligently and to inquire into the property owned in the county for the purpose of ascertaining what personal property is subject to taxation in the county and to require the proper tax return of the property for taxation. The board shall make such investigation as may be necessary to determine the value of any property upon which for any reason all taxes due the state or the county have not been paid in full as required by law. In all cases where the full amount of taxes due the state or county has not been paid, the board shall assess against the owner, if known, and against the property, if the owner is not known, the full amount of taxes which has accrued and which may not have been paid at any time within the statute of limitations. In all cases where taxes are assessed against the owner of property, the board may proceed to assess the taxes against the owner of the property according to the best information obtainable; and such assessment, if otherwise lawful, shall constitute a valid lien against the property so assessed.

Each corporation or business owner is required to prepare a PT50P tax return so as to fully and clearly set forth the data called for therein (Rules and Regulations of the State of Georgia, Chapter 560-7-8-.04, Page 263). All tax returns and supporting schedules must be completed in their entirety and returned by the deadline in order for the personal property to be properly returned to our county (Rules and Regulations of the State of Georgia, Chapter 560-11-10-.08 (3) (c)). Returns received incomplete will be returned to the taxpayer as unable to process. The taxpayer will then be expected to complete the tax return and resubmit it to our office by **April 1st, of each taxable year to avoid a 10% penalty.**

The information requested in the general information section of the PT50P tax return should be completed in detail. The Schedule A of the return provides for the uniform calculation of value of all assets belonging to the business as of January 1 of each calendar year. Expensed assets as well as capitalized assets should be reported with the return. All leasehold improvements personal property in nature and trade fixtures should also be reported. ***Leasehold improvements such as wall, doors, floor covering, electrical, plumbing, heating and air distribution systems, ceiling and lighting that are attached to, and form an integral part of building, should not be reported as personal property.*** The basic cost approach value of assets for tax purposes is computed by multiplying the original cost new or replacement cost new by the conversion factor of each year's acquisition listed in the appropriate economic life group. All cost amounts are subject to audit. Cost should include installation, trade-in allowances, sales tax, investment credits, and/or freight charges, etc. Please note ACRS and MACRS should NOT be used for determining the economic life of an asset for Ad Valorem Tax purposes. A copy of the most current asset listing indicating the date of purchase, original cost new and description of each asset should be submitted with the tax return every year. This information is for verification purposes and is not available for public inspection

(O.C.G.A 48-5-314)

Inventory should be reported at 100% cost as of January 1 of each calendar year. This includes all retail goods, raw materials, work-in process goods, finished goods, merchandise, stock in trade, consigned

inventory, service inventories, goods in transit, office supplies, forms and all other consumable goods on hand as of January 1 of each taxable year. Cost should include freight in, overhead or burden,

Federal, State, or local taxes, or any other charges imposed upon the item that makes it more valuable to the owner. Please note LIFO is not acceptable. If you have any consigned goods, leased or rented equipment, or any other type goods not owned by you but located at your business as of January 1 of each calendar year, the name and address of the legal owner must be reported to the Tax Assessors on the tax return. This is to insure that the taxes are charged to the legal owner. This information is for verification purposes and is not available for public inspection (O.C.G.A 48-5-314).

In summation, if the taxpayer fails to make a full return including listing and describing all personal property as requested by the PTSOP tax form, the Coffee Co Board of Assessors shall use the best information available to assess a value on the property for taxation purposes. In all cases where taxes are assessed against the owner of property, the board may proceed to assess the taxes against the owner of the property and such assessment shall constitute a valid lien against the property. The Coffee Co Board of Assessors hereby makes this request in order to fulfill its duties prescribed by law.

I,do solemnly swear, that I have carefully read (or have heard read) and have duly considered the law of taxation explained above and understand that I am required to file a tax return to the Coffee County Board of Tax Assessors every year I conduct business in the county for the purpose of being taxed thereon, every species of property that I own in my business or have control of either as agent, executor, administrator, or otherwise; and that in making a tax return, for the purpose of being taxed thereon, I have not attempted to evade the laws of governing taxation in this state. I do further swear that in making a tax return I have done so by reporting the true cost or replacement cost NEW of every species of property contained in my business. In the event I close, sell or move my business I agree to notify the Board of Tax Assessors in that calendar year in which the change takes place.

COMMON FAQs:

How do I know if I need a Georgia Sales & Use Tax number? Where and how do I obtain a Georgia Sales & Use Tax number? Businesses are required to collect sales taxes on the retail sale of merchandise, the rental of certain items and for certain services. Contact the Georgia Department of Revenue at (404) 417-4490 for information and to obtain your sales tax number: <http://www.dor.ga.gov>.

Where can I obtain an Employee Identification Number (EIN) or Tax I.D. Number?

The Employee Identification Number (EIN) or Tax I.D. Number is issued by the Internal Revenue Service. Please contact the Business and Specialty Tax Line at (800) 829-4933. If you do not operate your business under an EIN or Tax I.D. Number, then you must provide the responsible person's Social Security Number.

What is a NAICS Code and where do I obtain one?

NAICS stands for North American Industry Classification System and is the standard used by Federal statistical agencies in classifying business establishments for the purpose of collecting, analyzing, and publishing statistical data related to the U.S. business economy. You will obtain a NAICS Code from the U.S. Census Bureau: <http://www.census.gov/eos/www/naics>. You may already have a NAICS code assigned to your business which you can find on previous tax returns or you may contact your accountant.

E-VERIFY FAQs:

What is E-Verify?

U.S. law requires companies to employ only individuals who may legally work in the United States – either U.S. citizens, or foreign citizens who have the necessary authorization. E-Verify is an Internet-based system that allows businesses to determine the eligibility of their employees to work in the United States. E-Verify is fast, free and easy to use – and it's the best way employers can ensure a legal workforce. <http://www.uscis.gov/portal/site/uscis> O.C.G.A § 36-60-6 requires registration with and use of E-Verify for private employers of 11 or more employees and submission of an E-verify affidavit for all private employers applying for an occupation tax certificate/business license.

Who should sign the E-Verify Affidavit?

The applicant that signed the application for the public benefit should be the individual signing the E-Verify Affidavit. Applicants should be authorized to sign on behalf of the company.

Do applicants need to sign the E-Verify Affidavit every time a benefit is requested or renewed?

Not necessarily. Once a company/organization submits an E-verify Affidavit, with an E-verify number and the date of authorization, submission of another E-verify affidavit is not necessary unless the E-verify number changes. Also, if a company/organization submits an E-verify affidavit claiming exemption from E-verify registration, any subsequent applications will not require submission of an E-verify affidavit unless the status of the company changes; the company/organization must simply assert its exemption upon each application.

Can I email or fax a copy of the E-Verify Affidavit?

Yes. The E-Verify Affidavit can be mailed, emailed or faxed. It must be completed in its entirety.

What if the applicant who has applied for a public benefit refuses to sign the E-Verify Affidavit?

If the applicant refuses to sign the E-Verify Affidavit the City will not provide the public benefit. The City is required to submit an annual compliance report to the Department of Audits and Accounts for all contracts entered into for the 'physical performance of services'. Beginning January 1, 2012 the same provisions will apply to the issuance of occupational tax certificates and other licenses/permits.

Where do I find information regarding E-Verify and the O.C.G.A. § 36-60-6 law online?

Please visit this website <http://www.lexisnexis.com/hottopics/gacode/Default.asp> for detailed information regarding O.C.G.A. § 36-60-6.

SAVE Affidavit FAQs:

What is SAVE? Where can I find the law?

The Georgia General Assembly passed legislation in 2007 that makes compliance with SAVE a requirement. The Law is codified in O.C.G.A. § 50-36-1 & 2 and requires, among other things, that state agencies and departments and every political subdivision of the state, including cities, verify the lawful presence in the United States of any applicant for a public benefit; verification requires the applicant to submit a SAVE affidavit and secure and verifiable document. Occupational tax certificates, business licenses, alcohol licenses, and any other document required to engage in business are considered public benefits.

Who should sign the SAVE Affidavit?

The applicant that signed the application for the public benefit must be the individual signing the SAVE Affidavit. Applicants should be authorized to sign on behalf of the company.

What is a secure and verifiable document?

Please visit the Attorney General's Office website at http://law.ga.gov/sites/law.ga.gov/files/related_files/site_page/April%202014%20secure%20and%20verifiable%20document%20list.pdf for a list of secure and verifiable documents. The most common one is a Georgia Driver's License.

Do applicants need to sign the SAVE Affidavit and submit a secure and verifiable document every time a benefit is requested or renewed?

Not necessarily. If an applicant submits an affidavit indicating he/she is a United States Citizen, along with a valid secure and verifiable document, the applicant does not need to submit a new affidavit or secure and verifiable document with every application/renewal. Submission of a SAVE affidavit and secure and verifiable document is required for all non-citizens at the time of each application/renewal.

How can I submit the SAVE Affidavit and Secure and Verifiable Document?

Both may be submitted via mail, email or in person.

What if the applicant who has applied for a public benefit refuses to sign the SAVE Affidavit?

If the applicant refuses to sign the SAVE Affidavit the City will not provide the public benefit. The City has signed a contract with the Department of Homeland Security that requires the City to verify eligibility prior to granting a public benefit. This includes business and alcohol licenses.

If the applicant is not a United States citizen, what documentation must they provide so the City can run the applicant through the SAVE system?

The applicant must provide the City with a document issued to him/her by the Department of Homeland Security as evidence of lawful presence in the United States. These documents include but are not limited to an Arrival/Departure Record (Form I-94), Permanent Resident Card (Form I-551) or Employment Authorization Document (Form I-766).

Where can I find the O.C.G.A. § 50-36-1 law online?

Please visit this website <http://www.lexisnexis.com/hottopics/gacode/Default.asp> for detailed information regarding O.C.G.A. § 50-36-1.
